In addition, the Fund may invest in exchange traded funds and other eligible open-ended collective investment schemes. No more than 10% of the net assets of the Fund will be invested in aggregate in open-ended collective investment schemes. The Fund may invest in closed-ended funds that qualify as transferable securities. Investment in closed-ended funds is not expected to comprise a significant portion of the Fund's net assets and will not typically exceed 10% of net assets.
