                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  | # ABN AMRO Funds Boston Common Emerging Markets ESG Equities G EUR Capitalisation / LU2757518639 / A40F1H / ABN A...

## Investmentstrategie

Dazu investiert er vorwiegend in übertragbare Beteiligungspapiere wie Aktien, andere Kapitalanteile wie Genossenschaftsanteile oder Optionsscheine auf übertragbare Beteiligungspapiere von Unternehmen, die ihren Sitz in den Schwellenmärkten haben oder dort den überwiegenden Teil ihrer Wirtschaftstätigkeit ausüben. Die Mindestvermögensallokation in solchen Wertpapieren beträgt auf konsolidierter Basis (direkte und indirekte Anlagen durch den Einsatz von Derivaten) 60% des Nettovermögens des Teilfonds. Darüber hinaus beträgt die Mindestanlage des Teilfonds in Aktien 75% seines Nettovermögens. Der Teilfonds darf außerdem bis zu 10% seines Nettovermögens in Schuldtitel (wie fest- und variabel verzinsliche Anleihen, Geldmarktinstrumente, einschließlich Hochzinsanleihen) investieren, insbesondere für Zwecke des Cash-Managements. Der Teilfonds kann bis zu 10% seines Nettovermögens in chinesische Aktien (A-Aktien) investieren, die auf CNH lauten und über Shanghai- Hong Kong und Shenzhen Stock Connect an der Börse von Hongkong notiert sind. Der Teilfonds darf bis zu 20% in Sichteinlagen bei Banken investieren, einschließlich Barmitteln auf Girokonten bei einer jederzeit zugänglichen Bank.

## Fondsspezifische Informationen

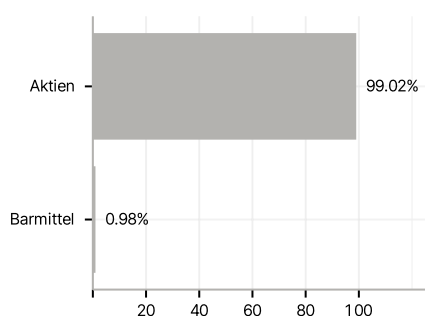

Die Fondsbestimmungen des ABN AMRO Funds Boston Common Emerging Markets ESG Equities G EUR Capitalisation wurden durch die FMA bewilligt. Der ABN AMRO Funds Boston Common Emerging Markets ESG Equities G EUR Capitalisation kann mehr als 35 % des Fondsvermögens in Wertpapiere/ Geldmarktinstrumente folgender Emittenten investieren: by a European Union member state, by its regional public authorities, by another state part of the OECD, by Brazil, Indonesia, Russia, Singapore and South Africa, or by international public organizations to which one or more member States of the European Union belong..

## Investmentziel

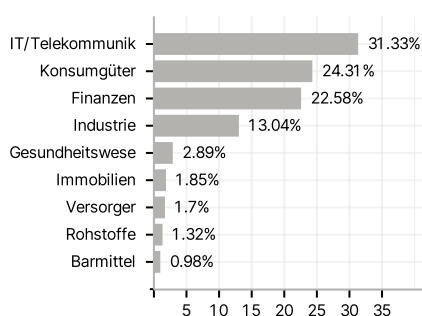

Boston Common Emerging Markets ESG Equities gehört zur Kategorie der Single-Manager-Fonds. Der Fonds strebt eine langfristige Wertsteigerung seiner Vermögenswerte durch Kapitalzuwachs an. Dies geschieht mit einem diversifizierten und aktiv verwalteten Portfolio aus Aktien aus Schwellenmärkten ohne besondere Beschränkungen hinsichtlich des Tracking Errors.
