Investmentstrategie

The Sub-Fund's investments will be allocated across global markets. The Investment Manager constructs the portfolio based on a combination of bottom-up high conviction lists, a top-down country allocation framework, and a top-down industry allocation framework. The Sub-Fund may invest no more than 20% of its Net Asset Value in locally listed Russian shares at any one time and investment will only be made in equity securities that are listed / traded on the Moscow Stock Exchange. Such an investment will not form the principal focus of the Sub-Fund.
