Fisher Investments Institutional US All Cap Equity Selection Fund Sterling Class Shares / IE00BM9TK789 / A40YX4 / Carne G...

Investmentstrategie

The Fund will invest: Primarily in equities and equity-related securities of, or linked to, issuers located in the United States. Up to 10% of its total assets in unlisted equities. While the Fund will invest primarily in equities and equity-related securities, as referred to above, the Fund may for liquidity, hedging and/or cash management purposes, in circumstances of extreme volatility or if market factors require and if considered appropriate to the investment objective, invest on a short-term basis in cash, cash equivalents, money market instruments or government or corporate bonds. Investments in other Funds will not be more than 10% of the Fund's total assets. The Fund promotes environmental and social characteristics. This includes, but is not limited to, the Investment Manager seeking to have at least 5% of the Fund's portfolio composed of sustainable investments, and the Investment Manager applying a comprehensive set of exclusionary screens to prevent the Fund from investing in companies that do not meet the Investment Manager's minimum environmental, social and governance criteria.
